

THE PROPERTY EXPERTS

Investments. Commercial. Residential.

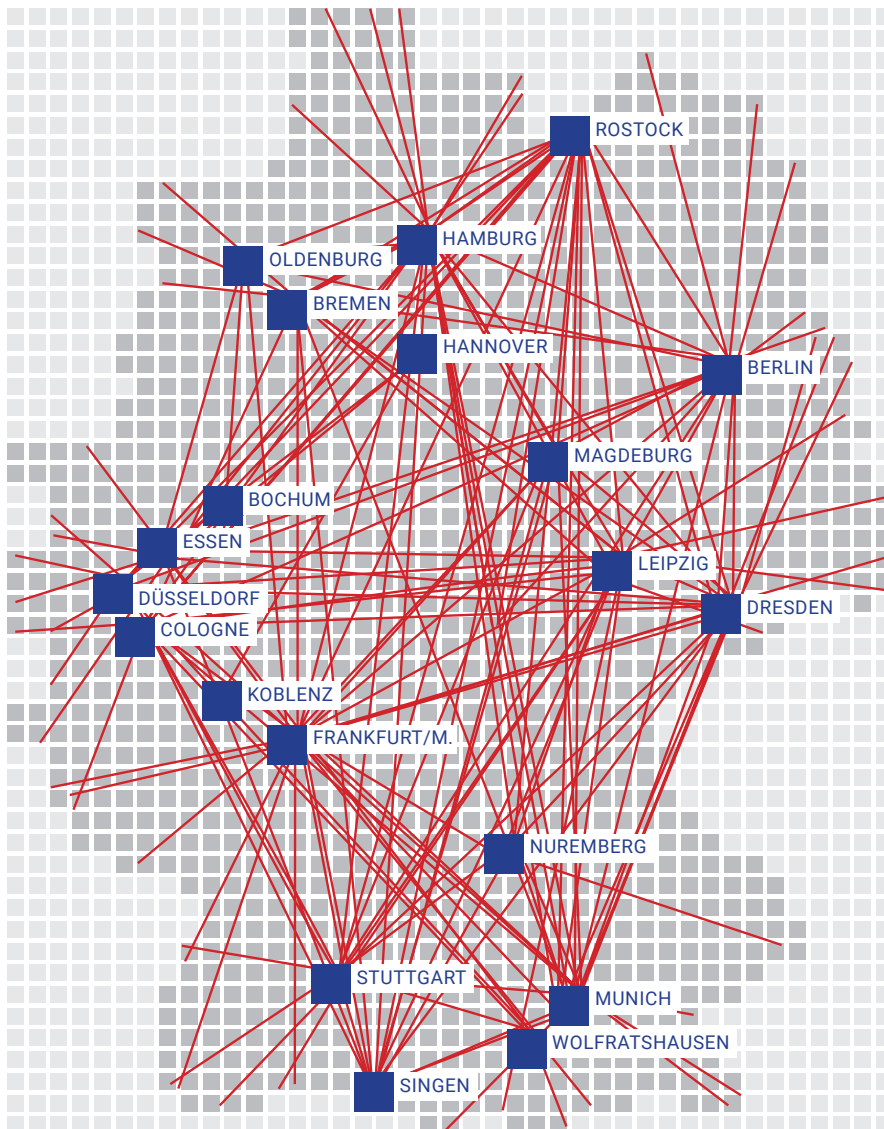

The background of the advertisement is a low-angle, upward-looking photograph of a modern glass skyscraper. The image is composed of several rectangular panels that create a grid-like pattern, with the glass reflecting the sky and other parts of the building. The overall color palette is dominated by blues and greys.

Deutsche Immobilien- Partner

A property network with 15 partners
and more than 800 employees.

More know-how, more interlinking contacts, more success.

The DIP network consists of renowned owner-run real estate agencies and companies with expertise.

Thanks to the unique structure of partners within the network every DIP Partner is in a position to provide manifold services "all-around real estate" from one hand.

The comprehensive scope of services reaches from the classical property services over innovative user concepts up to structural engineering and infra-structural projects and is unique in this composition.

The DIP Partners co-operate if need be and draw on the know-how of the entire network.

- 15 Partners and more than 800 qualified employees at more than 25 offices throughout Germany form the permanently growing successful network which makes it one of the leading networks.

Reduce your risk, increase your success.

It is owed to the special structure of DIP that DIP may provide to their clients fast, competent, innovative and especially sustainable solutions in the property market. And success does this concept of network right.

Local detailed market knowledge, also in some secondary (B) cities, is the basis for you to take the right decision. This is our special expertise.

By the concentration of regional competence and penetration of the market the DIP network can provide you with their DIP reports on the latest developments and trends in the property market.

Thus you can dispose of data to assist you in your perfect property availability and important decision-making.

DIP market reports are available through our website dip-immobilien.de.

Talent framing smithy

The demands on the real estate business become more and more complex. Not only knowledge and experience count, but also do creativity and the courage to continue in new ways. For this reason EBZ Business School is an ideal supplement to the DIP network. At EBZ BS, the junior real estate experts to be study, and outstanding employees are given a perfect cut.

Common values; we take our "Code of Conduct" very seriously.

Whoever founds a network with the demand to provide to the clients real estate consulting and services on highest level needs more than just common interest.

Our cooperation is based on great confidence and on a foundation of excellent real estate qualification.

Every DIP Partner obliged himself to act in accordance with the Code of Conduct which has become standard in the German property market; a standard which gives trust and security to a DIP Partner's client.

Just contact one of our DIP Partners in your proximity – he happily awaits your call.
